To

ALL PVT. DRUG STORES

After Compliments,

Sub: Local registration of pharmaceutical companies and products that are registered in the Gulf Central Committee for Drug Registration (GCC-DR) / Circular No. 54/2013 dated 19/5/2013

According to the above cited circular, the registration files for pharmaceutical companies and products were being received by the Drug Control Department in accordance with Circular No. 47/2008 dated 21.6.2008 subject to condition that the Registration Certificate issued by GCC-DR is having a validity of at least half of its total validity from the date of its issue. In order to expedite the registration procedure and to facilitate medicines accessibility in the market, we have decided that applications for local registration of pharmaceutical companies and products with remaining validity less than two and half years can be submitted as per Circular No.47/2008 and the Registration Certificate will have same expiry date as GCC-DR Certificate.

Yours faithfully,
