Circular No. 24 / 2022  
05-07-1441 H  
06-02-2022

To  
**ALL PRIVATE PHARMACIES & DRUG STORES**

After Compliments,

**Sub: Sale of Home use Covid-19 antigen rapid tests.**

Due to the current global situation with COVID 19 pandemic and the raised demand on use of home antigen rapid tests, the Directorate would like to draw your attention that the only approved home rapid antigen test device by DGPA&DC are allowed to be marketed in pharmacies.

All home antigen rapid test must be assessed by medical device control department to get the necessary approval before the importation and marketing in Oman.

Kindly find the list of approved home antigen rapid test devices through the link below:

<http://www.moh.gov.om/en/web/dgpadc/-13>

For any further query you may contact: Med-device@moh.gov.om

Thank you for your cooperation

Yours faithfully,

**Dr. Mohammed Hamdan Al Rubaie**  
**Director General**

CC: - Director of Pharmaceutical Licensing Department  
- Director of Medical Device Control Department  
- Head of Cordin & FU.
