After Compliments,

**Sub: Referral Samples from Private Hospitals**

In Reference to letter No. MH/DBS/PVT/167/201, dated on 6<sup>th</sup>/May/2013 from the Department of Blood Services regarding the above mentioned subject. The National Reference Serology at Central Blood Bank, Department of Blood Services receives patients' samples from various Health institutions in the Sultanate for serology workup. In this regard the private health institutions certified for blood transfusion are requested to fill with all necessary details the "Transfusion Serology Referral Form"- HP223 whenever a sample is sent for serology workup (forms attached) .

You are required to provide complete patient details as per the form for all your referred patients. Otherwise, the Central Blood Bank will refuse samples with forms carrying incomplete information. Enclosed is a copy of the above mentioned letter and the "Transfusion Serology Referral Form"- HP223 forms

Best regards
