Director Generals/ Directors of Health Services

All governorates

After Compliments,

Sub: Testing of Sputum AFB in private clinic laboratories.

With reference to letter no MH/DGHA/DCDSC/NTCP/84/201, from Head of TB/Leprosy, HIV/AIDS Control programs, DCDSC, regarding the above mentioned subject (letter enclosed).

As per the decision of the DG of Health Affairs in 2012, all sputum for AFB testing should be done in laboratories with Safety Cabinet ONLY.

You are kindly requested to circulate this information to all private health institutions within your governorates and emphasize on the strictly adhering to the National Policy.

Best regards

Saif Bin Mohammed Al Nabhani
Advisor, Supervisor of the Directorate
General of Private Health Establishments
