

## **RULES AND REGULATIONS FOR CARRYING OF NARCOTIC DRUGS AND PSYCHOTROPIC SUBSTANCES THROUGH INTERNATIONAL BORDER FOR PERSONAL USE**

**In order to bring such medicines in the country, through border, the carrier of medicines should have report or prescription issued by a certified physician.**

**The Directorate General of Pharmaceutical Affairs and Drug Control (DGPA & DC) in the Ministry of Health will determine the procedures of delivery/dispensing of such medicines in the following manner:**

- Medicine will be issued for a period of one month on monthly basis.
- The DGPA & DC has the right to involve patient's family to review and supervise his/her medicine.
- The DGPA & DC can refer the patient to specialist to confirm the diagnosis and treatment.
- The DGPA & DC has the right to seize and dispose of the medicines if the appropriate/accurate report is not submitted.

### **Terms and conditions of the medical report/certified medical Prescription:**

- Date of prescription/report should not exceed more than six months from the date of issue.
- Personal details of Patient (name, age, ...etc.).
- Medical diagnosis.
- Detail of medicine (Names, dose and duration).
- Signature and stamp of the doctor
- Stamp of the health institution.
